RAP*:

We dare to be the brightness in the places of creation
 where we find the lost and lonely and bring them to salvation.
 Standing in the light we see it takes communication
 to spread the truth revealed in words and full participation.

Invited by the Word and inspired by the Spirit,
 the call to realize we must reveal it.
 Once you know the truth, once you've seen the light
 there's no way to deny that lies hide in the night.

Be vigilant and diligent throughout all your days
 and connect with the fact that the light is here to stay.
 Create a new norm that it's time to transform
 from blindness to sight so that we live in peace and right.

Walking in the darkness means walking with desires
 for earthly kinds of things that will end up in the fire.
 Be true to the truth because it tells the real story.
 Stand in the light, we reflect God's glory.

SPANISH RAP:

El Espíritu nos llama y la Palabra nos invita
 a proclamar la Buena Nueva siempre con la vida.
 Creemos en la luz que nos trae la verdad
 y rechazamos las mentiras que hay en la oscuridad.

Sin su luz divina el pecado nos domina
 Por eso escuchemos y vivamos su camino.
 Espera en el Señor y espera en su palabra;
 que él es nuestro Dios y su mensaje siempre salva.
